

## FACT SHEET

### What is the Future Leadership Committee?

The Future Leadership Committee was given official committee status by the NFSA Board of Directors in October 2013. The Committee is tasked with helping to develop future NFSA leaders by:

- Providing input to the NFSA Board of Directors regarding NFSA's direction and leadership and the future of the fire sprinkler industry,
- Increasing the awareness of and engaging new fire sprinkler professionals within NFSA,
- Identifying challenges that new fire sprinkler professionals face within the industry, and implementing strategies to alleviate these concerns, and
- Recognizing fire sprinkler professionals whose qualifications merit grooming as future NFSA leaders.

### Why Apply for Membership in the Future Leadership Committee?

Membership in the Committee is the best way to increase your visibility as a potential future leader in NFSA. Committee members have the opportunity to network with other up-and-coming fire sprinkler professionals and familiarize themselves with NFSA structure and processes so that they are prepared to take on larger leadership roles in the future. In addition, Committee members are given a voice through their Committee Chair, who holds a non-voting seat on the NFSA Board of Directors.

### What is Required of Future Leadership Committee Members?

The Future Leadership Committee holds semi-monthly conference calls, and two in-person meeting per year. Members of the Committee should make an effort to attend and participate in these calls and meetings. Members who choose to run for leadership positions within the Committee may have additional responsibilities that should be discussed with supervisors prior to Committee elections.

### How Can I Become a Member of the Future Leadership Committee?

The Future Leadership Committee is seeking applicants for Committee membership. If you would like to apply for a seat on the Committee, please complete the enclosed application. Completed applications may be returned to Committee Secretary, Caleb Armbrust, (614) 315-1358, or via email at [armbrust@nfsa.org](mailto:armbrust@nfsa.org). Please note that the membership application includes a space for your supervisor's signature, to ensure that there are no conflicts with your participation in the Committee.

**We look forward to hearing from you!**
