

The Federal Government Now Provides A Tax Incentive to Protect Lives and Property with Fire Sprinklers

There is now a significant incentive that allows for accelerated cost recovery!

We need your help to spread the word! As fire service leaders, you know where your small businesses are that need fire safety improvements. Visit nfsa.org for all resources, including animated videos, PSA videos featuring Station Fire footage, customizable flyers for you to share, and more!

The National Fire Sprinkler Association encourages business and industry owners to contact their tax professionals and refer them to the changes in Section 179 of the recently passed tax reform legislation (P.L. 115-97) for up to \$1M in fire protection.

Protect Lives – Protect Property – Protect Your Community – The Time has Come!

National Fire Service Organizations at 15 Year Anniversary Service of Station Fire... New tax incentives can keep this from happening again!

Speaker Line Up (left to right): Rob Feeney, Chief John Sinclair, Bill Webb, Chief Ron Siarnicki, Amy Acton, Gina Russo, Vickie Pritchett, Shane Ray, Jim Pauley, Chief Keith Bryant, Chief Frank Brown.

Fire sprinklers save lives, property, water, money, the environment, and on and on. Keep your patrons safe, keep your business running and limit your liability.

Established in 1905, the National Fire Sprinkler Association (NFSA) is the voice of the fire sprinkler industry. NFSA leads the drive to get life-saving and property protecting fire sprinklers into all buildings; provides support and resources for its members – fire sprinkler contractors, manufacturers and suppliers; and educates authorities having jurisdiction on fire protection issues. Headquartered in Linthicum Heights, MD, NFSA has regional operations offices throughout the country.
